

Summer break is all about having fun, eating fresh and juicy fruits, enjoying popsicles, going on trips, and loads of love from family but don't forget to brush up your skills and revise your lesson.

## *General Instructions*

### *Instructions for students:-*

- Try to do your vacation work by yourself.
- Writing should be very good and neat.
- Do all work under the guidance of your parents and guardians .
- Do all work with date & day.
- Try to do your written work regularly to enhance your writing power. Pay special attention towards your health and caring.

### *Instructions for Parents:-*

- Kindly complete and send the homework in a folder on the first day after the summer break.
- Make your ward learn and remember his/her parents mobile /landline number, house address etc, to make him/her independent and secure.
- Do not miss to take your child , outdoors in the evening.
- Do any creative act, which you are good at with your ward .
- Fix up a time table for your ward to organize his/her daily routine like, watching television, playing with friends, studying etc.
- Make your child responsible by assigning some of the household responsibilities to him/her like, watering plants, arranging the dining table, organizing his/her room and cupboards, fill the empty water bottles and put them in refrigerator.
- **Above mentioned guidelines will help your child to become a smart and an active learner.**

## English
