Teaming up with Innovative Solutions

 Mindspark

Education is the most powerful key to unlocking your future. As your Principal, I encourage each of you to embrace every challenge, knowing that every effort you make brings you one step closer to your dreams.

At Aster School, Knowledge Park-5, we are committed to more than academic achievement—we are dedicated to nurturing curious, compassionate and capable individuals who are ready to thrive in a fast-changing world. Our holistic approach fosters critical thinking, creativity, emotional intelligence and a lifelong love for learning.

Here at Aster, we don't just prepare students for exams—we prepare them for life. We instill values, confidence and a sense of responsibility that empower our students to lead with purpose and contribute meaningfully to society. Our goal is to shape global citizens who can adapt, lead and make a positive impact wherever they go.

Our exceptional team of educators is at the heart of this mission. They bring passion, innovation and a deep commitment to every classroom, helping each child uncover their unique strengths. We focus on 21st-century skills—communication, collaboration, leadership and decision-making—so our students are equipped for the opportunities and challenges of the future.

As we embark on another exciting school year, I invite you to be an active part of your child's educational journey. At Aster, our doors—and hearts—are always open. We are here to support, guide and grow together with you.

From the Principal's Desk

“Education is the most powerful weapon you can use to change the world”

Mrs. Sangeeta Banerji
Principal, Knowledge Park-5

Mrs Sangeeta Banerji is a post-graduate in economics and has 30 years of teaching experience. Contributing effectively as a motivator and a friend, she has been proactively bringing about positive and holistic growth and development in all who approach her for guidance.
